**Location:** The Premier Cru Les Folatières is quite large (nearly 18 hectares) and is divided into several localities. Our plot is planted in the place called "Au Chaniot", on the lower part of the hillside.

**Tasting note:** A bright primrose colour. This is quite floral, yet with a generosity of fruit behind, which rolls across the palate with class and definition, from a well-situated plot of Folatières that delivers admirably in 2023. Balance and charm, with a little bit left in reserve. Drink from 2028-2034.
